Hi Sonja,

I have [REDACTED] coming up for trial and wanted to reach out to you to see if there are any days off when you wouldn't be available or days when you are occupied elsewhere (You tested approximately 6 grams of cocaine on this case). I haven't been sent out to a trial judge yet and am still trying to work it out by way of a plea, but wanted to check in with you.

Hope all is well.

Eileen Sears
